

Lesson 1: How do you get to know God?

Key Search Words - know*, find, search, understand

A good soldier understands the "Chain of Command" and should be familiar with the Royal Court, so a Royal Soldier must personally **know** God the Father and His Son, King Jesus. But, how does a Royal Soldier have a personal relationship with God and Jesus? How do they get to know and love "Them"? The Bible has these answers and it explains that there is a "right way" to know God.

1Jo 2:3 (ISV)

John, the Apostle who wrote the book of 1st John, said that by keeping God's commandments, one could be sure that they knew God in the right way. So, your next big question should be - "What commandments do I need to keep?"

1Jo 3:23

To John, it seems that God's commandment to believe in Jesus, His Son, and to love one another is a very important commandment to keep. So, how should you **find** the other commandments that are in the Bible that will help you know and understand God?

Pro 2:1-9

You need to **search** for words and commandments in the Bible like you are on a treasure hunt. The treasures you find will help you **understand** God. So, how do you know and understand His Son, Jesus Christ?

Eph 3:1-19

The Apostle Paul searched to know Jesus and the mysteries of God and they were revealed to Him. He knew that in order to understand them, he had to be "rooted and grounded in love" - the love of Jesus. Knowing God fully means you have to know how to love Jesus.

So in "Basic Love Training", you will be learning how to love King Jesus, who will help you understand God's commandments as you search to find them. All of this will help you to know God in the right way.

A Royal Soldier is a treasure hunter!
