Can these "love" commandments of Jesus be found in the Old Testament? In the KJV, by doing an exact phrase search on "love the Lord" in the Old Testament, you will find that Jesus quoted these two commandments from the same Law that was given to Moses by God in the beginning.

Deu 6:4-9

The only change made by Jesus was that He added "all your mind" to the first commandment. According to Jesus, these two love commandments are the greatest and they would support all the other commandments that were given by God.
