

Lesson 8: How is the Holy Spirit involved?

Key Search Words - Jesus, command*, go, disciple, Holy Spirit

Out of love and loyalty, a Royal Soldier commits and surrenders his whole life to King Jesus. Surrendering your whole life to Jesus (to include your past, present, and future) and everything that it will require can make you feel overwhelmed. You might feel incapable of expressing this kind of love and loyalty. In order to be a successful Royal Soldier, though, it will require a lot of changes in your life and a lot of self-discipline that will not happen overnight. No matter how long it takes, though, **a Royal Soldier must be serious about their commitment to King Jesus.**

A Royal Soldier must be committed to learning and obeying all of King Jesus' commands. So, let's go back and look at another commandment of Jesus. Before Jesus ascended to Heaven, He spoke one last command to His Disciples.

In order for a Royal Soldier to "go" and "make disciples", they need to know the definition of a ⁺disciple. From these scriptures, a disciple is defined as someone who is practicing the obedience of all the commandments of Jesus and is baptized in the name of the Father, Son, and the Holy Spirit. Well, in our lessons, we are already in the process of learning how to obey God's commandments as a disciple, and have studied Him as the Father and the Son, but now it is time to study God as the Holy Spirit.

Joh 14:26

Royal Soldiers don't have to train alone. They have a Helper, and His name is the Holy Spirit!
