Before you were even **formed** in the womb, God had you in His thoughts! God skillfully made you – your gender, physical attributes, personality, talents, etc. - according to the plan He already had for your life. He placed in you the right combination of strengths and weaknesses, abilities and inabilities to carry out His plan. Even the parts of your body that you think are flawed and imperfect, God made them that way so that you could perfectly fulfill His plan for you. If you try to change the way He made you, or suppress the talents He has given you, then you won't be walking in the fullness of His plan. God didn't want you to be anyone else but you! We cause ourselves much grief and pain when we don't go to Him first to find out what we should do with our lives. Why do we waste so much time?

God's hand, Jesus, covers you, surrounds you, and His Spirit is with you no matter where you go. Jesus **knows** you so intimately that He knows what you are doing at all times and He knows what you are thinking. There is no place where you can hide from His Spirit. He knows what you can handle, because He made you, and He knows what is in your **heart**. He understands you, knows you, and cares for you.

Psa 103:11-18

We were chosen and **called** for a holy purpose that can only be revealed to us and accomplished through the power of Jesus. We were created and designed to have a **fellowship** with Jesus!
