Loving God with all of my mind means:

**I will commit my way to Jesus by looking to His Word for direction, asking God's advice in prayer, and waiting to know His will.**

**Key Search Words - commit, way, path, teach, ask, counsel, pray, will, plans, mind, wait, reveal**

### Pledge Example - Joshua 9

Psa 37:5

Pro 4:23-27

Psa 119:105

Committing to someone is an action of the **mind**. When you **commit** to that person, then you are making a decision to have a relationship with them and will do your part in keeping that relationship. By committing to Jesus, you are making a decision to look to His Word, the Bible, for direction and purpose in your life. You will need to study His Word to know the **path** to take in life that will keep you in close relationship with Him. His Holy Spirit will **teach** you through His Word the **way** God wants you to go.

Psa 25:4-5

Jam 4:13-17

Joh 14:26

Isa 30:1

Pro 20:18

Jdg 18:5

You should not do anything before **asking** for God's advice first in prayer. If your purpose or intentions do not match up with God's **will**, then your **plans** will fail. If you are making your own plans for your life, without His **counsel**, then you are sinning. Jesus wants you to keep your mind on Him and His way. His Spirit helps you to do this and will also help by interceding on your behalf. **Pray** and **wait** on Jesus and He will **reveal** His will to you.

Phi 2:5

Psa 37:34

Rom 12:2

Joh 14:21

Rom 8:26-27

**A Royal Soldier prays, waits, and commits to doing the will of King Jesus.**
