We are given formal names at birth, but our family usually calls us by a more personal, endearing name. In business, we usually use our formal name, but when we want to be more personal with someone, we tell them to call us by our personal name. **Jesus** is God's personal name that He gave to us because He wanted to have a personal relationship with us. We show personal affection to Him when we worship, praise, and bless the name of Jesus. It is to God's glory that we call on Him by the name of Jesus, which was His plan from the beginning (review Lesson 4: How does Jesus fit into the picture?).
