When you fall deeply in love with someone, you want to hold on to them. You want to experience everything with them – joys and sorrows, and you want to protect them from any harm. They become part of your life, and if they were to ever leave, you would be devastated. This is how Jesus feels about us! He deeply loves us and wants us to cling to Him. He wants to be a part of every aspect of our lives. He wants to protect us from all harm and he wants us to have life forever with Him and not death. That is why He gave us His commandments to obey. When I line up my life with His commandments, then it draws me closer to Jesus – closer into His protective arms.
