1Ch 16:28-29

The things that you own are only on loan from God. You are just managing them, so you have an obligation to give back what is due to Him - tithes and offerings. To really honor God, you need to give Him the first and the best of all that you have and control. You must give to the Lord out of your own strength - your freewill. If you give to Him what He asks, He promises to bless you more than you can even imagine. The practice of giving to God will remind you that everything belongs to Him.

Luk 16:13-15

Mar 12:17

God Himself doesn't need your money, but He knows how it can control you, so by paying Him a tithe, you show God that He is in control of your finances.

Luk 12:15

2Co 5:14-15

Gal 2:20

The greatest thing that you have in your possession is your life. Now that you have a relationship with Jesus, your life is not your own but His. He gave His all for you, so you need to give your all for Him. Your whole life (including finances, property, etc.) belongs to Him.
