1Co 6:17 (ESV)

This is the consummation of the covenant we make with Jesus, our spirit joining with His Spirit. Jesus, in the form of flesh, could not live physically with every one of us here in this world. **So, He sent His Spirit so that all people could be joined to Him and so that all could have a close relationship with Him.**

Act 2:38-39 (ISV)

Joh 3:16 (LITV)

God's Spirit breathed physical life into man (Adam) at creation. Man's body, because of sin, will die. A new "spiritual" life starts to form inside of us, though, when our spirit is joined with God's Spirit. This spiritual life inside of us will give our physical body new life again – a body that will be comparable with the resurrected body of Jesus.

Rom 8:10-11 (ESV)

1Co 15:42-49 (ESV)

1Co 15:51-57 (LITV)

The reforming of His Wife's body to a new Bride is the mystery that is now revealed! Believers are all "pieces" of the Bride's body, so this transformation takes place individually in their lives as well as corporately. We will receive our new imperishable, glorified, and spiritual body when Jesus returns for us. That spiritual body is now being developed inside of us and we will put on this new body when Jesus returns. But, Jesus can now give his Bride a new soul and spirit while she is here on Earth so that she can be joined to Him in every way and be fully prepared for His return.

1Co 12:13 (KJV)

Mar 2:18-22 (DRB)

The Wife's old body, the children of Israel, is not done away with, though. The Bride's framework, or bone structure, is formed from the "bone" of Jesus - Israel under the Law. Jesus is the "last Adam" and the new, perfect woman (Bride's body) will be formed just like Eve was formed from one of Adam's ribs.

Lesson 15g: Joined by One Spirit into One Body

This will happen right before her new spirit and new soul is put into it. We can see an example of Israel being called "bones" during the time of King David. The tribes of Israel called themselves King David's "bone and flesh".

God still loves the "bones" of His Wife and has never planned to get rid of them. Through Jesus, He will make those bones come to life again, forming the structure of His Bride. The Bride's new heart of flesh is the Church, and that new flesh will be placed upon the bone structure of Israel, joining the two together. The Bride's new spirit and new soul will then be added, too, to make her complete.

Eze 37:1-14 (MKJV)

The new thing that God created on the earth is man surrounded by a woman - His Bride!

Jer 31:21-23 (KJVR)

The line has gone out to encircle the sea of God's people into the body of His Bride to keep her within His house - Jerusalem.
